Bonds Carry

The election to vote on an issue of \$100,000 road bonds for Lona County passed off very quietly Tuesday. Same was carried by a little better than a two to one vote. This was to be expected and it is hoped and believed the fund will be used to construct good roads all over the County, and we of course hope and Mr. Fulton says there are a that this part of the county may number on the vines only a listle have eary attention.
